Transportation Notes:

Bus route information will be available on our website (www.flushingschools.org) starting August 19th.

Click on Departments, then click the Transportation link, or click on the school bus image in the menu bar.

Finding information on your child's 2024-2025 bus route will be available through the Versatrans e-link portal found on the Transportation page of the district website, or it can be found directly at:

<https://versatrans.flushingschools.org/elinkep>.

- Username: is your child's student ID number (use any preceding zeros that are a part of the number)
- Password: is that same student ID number

Once in the program, hover over STUDENTS in the black bar at the top of the screen, and select VIEW MY STUDENTS. Click on the child's name to view their bus route information. You will see a separate line for the travel to school and one for the trip back home. The important information to look for is the actual pick-up and drop-off location, the time for pick-up and drop-off, and the bus number. If all of your children do not show up in your Versatrans e-Link account, it is because they have different phone numbers listed in Synergy. This is not a problem for accessing the bus route information, just go back to the login screen and enter the "missing" child's student ID number. If you are a parent of an incoming kindergarten student, their student ID can be found by logging into your ParentVUE account. Please note, you might get a warning when accessing VersaTrans. Just click the Advanced button and then click "Proceed to versatrans.flushingschools.org".

On-Line Learning Options

Bobcat Innovation Virtual (BIV): K-8th Grade

We have partnered with Grand Blanc Community Schools to offer our K-8th grade students an on-line learning option for families requesting virtual schooling. To learn more about Bobcat Innovation Virtual (BIV), please visit the website: <https://bobcatinnovation.gbcs.org/>

If you are interested in BIV, you need to connect with your child's principal to talk about fit and the registration process. Once registered, you will work with your child's home building to check out a Chromebook and BIV will reach out to families via e-mail to enroll your child in classes.

Raider Virtual Academy (RVA): 9th-12th Grade

Raider Virtual Academy (RVA) is the virtual schooling and credit recovery option for students in 9th-12th grade. Visit <https://www.flushingschools.org/domain/1021> for more information about RVA.

Contact the High School for registration information.

Communication Tools:

With a variety of tools, we encourage students, parents and caregivers to utilize these means of communication.

Raider Nation News: This newsletter is published six times throughout the school year with information on what is happening in the district. Raider Nation News will be sent home as an insert in the Genesee County View and you may also find it on the district website.

StudentVUE and ParentVUE: Both of these platforms allow students and parents to view and track student attendance and grades. If you are not currently connected to ParentVUE please contact your child's building secretary for login information.

District and Building Websites: Our district website is a source of information including district forms and policy documents.

Facebook: Please visit our school Facebook pages for another way to stay up to date and see what is happening in our buildings. District page; *Flushing Community Schools*, High School page: *Flushing High School- Flushing MI*, Middle School Page: *Flushing Middle School- Flushing, MI*, Raider Athletics; *Flushing Raider Athletics Page*.

Twitter: Please visit our twitter page: *@FlushingSchools* for up to date news.

Mobile App: This app allows our district information and news to be sent directly to your smartphone or tablet. Important messages like school closings will be sent. You can download the app by visiting the AppStore or Google Play.

The Raider Reporter: High School digital newsletter is published every quarter and can be found on the district website.

The Raider Review: Middle School digital newsletter is published every quarter and can be found on the district website.

School Messenger: This is our district and building calling system that allows phone communication with the entire school population. It is important to have an up to date phone number on file so these calls will come directly to you. Text messages can be received in addition to phone calls. Opt in by texting YES to 67587. Please be aware of any fees your cellular provider charges for text messaging.

Elementary building and Classroom Newsletters - Be on the lookout for building communication from your child's principal or specific classroom news throughout the school year. This will be used to share general classroom/building information.

District Email: All district administrative and instructional staff have email accounts and can be reached through their email.

Phone Communication: Each classroom in our district has a phone for parent communication. Please note that during class time instructional hours, phones do not ring. You may leave a message and teachers will return your call as soon as possible. If there is an emergency or change in transportation for the day, please call the school office.
