**New
Applicants**

New Applicant For

IN-DISTRICT SCHOOL OF CHOICE PROGRAM **2023-2024**

Flushing Community Schools offers an in-district “School of Choice” Program that provides parents an opportunity to request their child attend an elementary school outside their elementary home attendance area, but within the Flushing School District boundary.

In determining the selection of students for “School of Choice”, all applications must be submitted by **Thursday, April 13th, 2023**. Per the Flushing Community Schools Board of Education Policy, the following criteria for selection will be used in this order:

1. Students currently enrolled within the school under a “Schools of Choice Request” will be given priority based on the number of school years previously accumulated at said school.
2. Students with a sibling already enrolled in the school.
3. All other students with a “Schools of Choice Request” form on file after the deadline.

Notification will be made by **Friday, July 21st, 2023** for parents who submitted the request by the deadline.

Requests received after the deadline will be considered in the order received and verified through a signed/dated administrator signature. Requests will be honored if room is available in the appropriate grade without going into override numbers. Parent notification will be made no later than the Friday prior to school starting.

The in-district “School of Choice Request” form can be picked up and submitted at any elementary school, including the Early Childhood Center (ECC). Transportation information will be provided at that time. If you have any questions, please contact your building principal.

SUBMITTED BY APRIL 13, 2023.**

Flushing Community Schools

IN-DISTRICT SCHOOL OF CHOICE

Shuttle Bus Transportation Form

2023-2024

As a part of Flushing Community Schools' policy for in-district "School of Choice", parents are entitled to have their child(ren) utilize our existing transportation system to transport students to the "School of Choice." Students will be transported from their home attendance school to their in-district "School of Choice" and returned by bus shuttles, if shuttles currently exist. Shuttles will not be created only for in-district School of Choice students.

In utilizing the bus shuttles, instruction for students at the beginning and end of each day will be interrupted to allow time for the shuttles to transport students to and from their home school for connection with their regular bus run.

On the form below, please indicate whether you intend to utilize the available bus transportation for your child during the current school year. We would ask that this form be returned to your child's home attendance building principal by **April 13th, 2023**.

IN-DISTRICT SCHOOL OF CHOICE

Transportation Form

2023-2024

_____ Yes, I plan to utilize the Flushing Schools' existing transportation schedule and shuttle bus for my student to attend the selected in-district "School of Choice" for the current school year.
