Getting logged in:

- Verify that your school name shows.
- Click as a student
- Username: firstname.lastname (be sure to put a dot between the two names)
- Password: Student ID number (ie: 001234. 012345. 1234567)

Once logged in:

After the welcome message disappears you should see all of the available modules. If you don't, click on the books in the top left corner.

Select the module you want to work in and have fun learning! Moby will keep track of your progress. It will reassign topics you are having trouble with and move you on to new content when you have been successful.
