Binder Checks: Homework will be given nightly. It will be checked the next day for completion. All students will receive a calendar that outlines the homework for each chapter. They need to bring this calendar and the homework due with them daily. Homework will be accepted for half credit up to the day that the test for the chapter is given. On test days students will turn in their binder to be checked. This is called a binder check and will be when a homework grade for the chapter is given. Binder checks also include a grade for the organization and the completion of warm ups. Warm ups must include the problem and solution path in order to receive full credit for them.

Homework Checks: Homework checks will be given approximately once a week. This will be a very short (1-3 question) quiz that will be connected to the previous few night's homework. This will count towards the homework portion of the grade.

Quizzes/Tests: Tests and quizzes will be outlined in the calendar. Most chapters will have one quiz and one test. There will also be quarterly exams, a midterm exam and final exam.

Grading:

Semester Grade: Quizzes/Tests: 66.7%
 Homework: 33.3%

Final Grade: Semester Grade: 80%
 Final Exam: 20%
